JAPAN INTERNATIONAL DIE & MOLD MANUFACTURING TECHNOLOGY EXHIBITION

INTERMOLD 2016

Die & Mold Asia 2016

**JAPAN METAL STAMPING
TECHNOLOGY EXHIBITION
2016**

All the steps of manufacturing starting from the mold manufacturing.

INTERMOLD has been leading Japanese mold industry more than 25 years as an exhibition to showcase state-of-the-art mold technology in Japan. Nowadays the manufacturing industry is globalized. We need a platform to offer companies with a global competitive advantage can deliver the latest technology and information, and execute active business communication. INTERMOLD is making an aggressive approach to automotive parts, aircraft parts and electronics industries which work closely with molding industry. The show covers parts manufacturing and surface treatment as well as highlighting Additive Manufacturing and 3D printers as a Special Theme, and promote a new business matching between exhibitors and visitors.

We believe you can get a lot of business opportunities with this comprehensive business platform which offers contact to all the steps of manufacturing starting from the mold manufacturing.

EXHIBITOR

427 exhibitors / 872 booths

CATEGORY

Molds, Mold materials
Metal Machine Tools
Machine Accessory
Cutting Tools
Machine Tools, Polishing Whetstones
Surface Finishing, Modifying, Welding
All Sorts of Oil, Chemical Products
Press Forming Machines
Accessories & Tools for Press Forming Machine
Plastic Forming Machines
Precision Measuring, Optical Measuring Machines & Instruments
CAD/CAM/CAE System
Prototype, Modeling, Additive Manufacturing, 3D printers
Parts Processing Technology
Group and Laboratory
Robots, Automation

THE VIEWS OF EXHIBITORS

Q1 Was your participation successful?

Q2 Did you receive orders?

Q3 Do you expect a good business?

from Questionnaires of INTERMOLD 2015's exhibitors

VISITOR 47,303 visitors

Japanese manufacturers, including Automobile, Home Electric, Electric / IT device, Aircraft, Energy are seeking for the high-end manufacturing technology such as high performance, high quality components and products, and lower cost in order to enhance their international competitive strength in the global market.

INTERMOLD 34,429

Die & Mold Asia 6,809

JAPAN METAL STAMPING TECHNOLOGY EXHIBITION 6,065

REASONS WHY THEY ATTEND

- Determine purchasing of equipment / Products
- Collecting information for replacement of equipment / product purchasing
- Seeing for new business partners
- Researching the latest products
- Researching industry trends
- Researching information of competitors

BUSINESS SEMINARS/ BUSINESS MEETING PROGRAMS

Various business seminars have been arranged in INTERMOLD. We invite foreign participants / associations who are interested in organizing their own business meeting to meet with our exhibitors includes the member of Japan Die and Mold Industry Association and Japan Metal Stamping Association or visitors.

PREVIOUS RECORDS

- Invitation of overseas buyers and Business Meeting by JETRO
(Japan External Trade Organization)
- Business Seminar by Embassy of the Republic of Turkey and
Tool Manufacturers' Association of Turkey (UKUB)
- Business Meeting by Ministry of industry of the Republic of Indonesia
- Business Meeting by Indonesian Mold & Dies Industry Association
- Business Meeting by Brazilian National Die & Tooling Association (ABINFER)
- The Overseas Human Resources and Industry Development
Association (HIDA), etc.

BUSINESS SEMINARS

Many kinds of seminar by exhibitors, related associations in Japan or overseas will be held during INTERMOLD. You can have your own presentation of new product release, industry information on your country and investment seminar, etc.

GLOBAL NETWORK

Need to attract the world-leading manufacturing technology to your show?
INTERMOLD become a bridge between your exhibition and Japanese manufacturers!

INTERMOLD Development Association, the management office of INTERMOLD has built partnerships with organizers and management offices of international exhibitions related die, mold, metal stamping, machining tool, additive manufacturing, 3D printing, etc. We help Japanese manufacturers to expand their business and meet new customers in the world with this valued resource and our own experiences that we have managed INTERMOLD successfully for over 25 years.
